ERGONOMIC

GROWS
WITH YOU

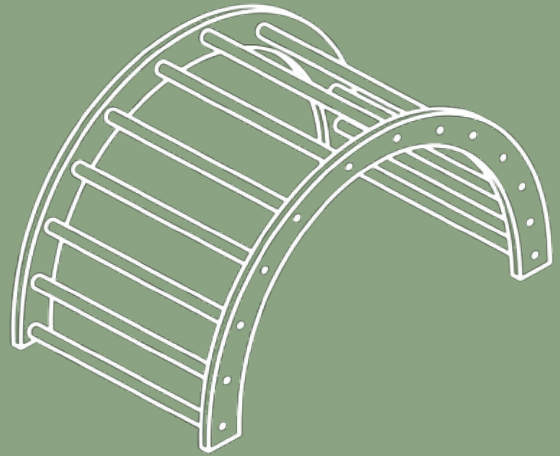

MULTIPLE
FUNCTIONS

Made for their
kind of movement.

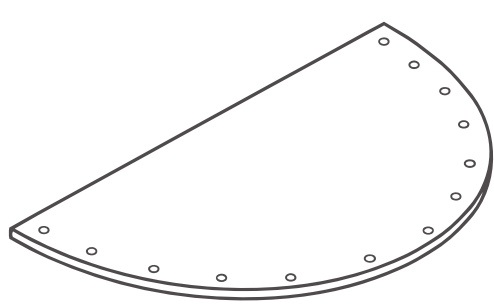

The Arc

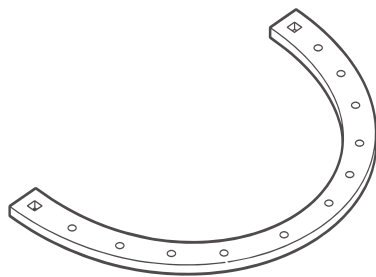

The Arc is designed to grow alongside your child through four distinct stages of their early years. Recommended for children aged 6 months to 5 years, it's one piece of furniture made to adapt as they grow, without needing to be replaced, reconfigured with tools, or outgrown

BEFORE YOU START

Lay everything on a soft clean surface

Keep screws and small parts in a bowl

Use the given screwdriver

Do NOT fully tight until the final step

PRO TIP

Check that everything is square before tightening screws

WATCH OUT

Make sure each panel is fully seated in the slot and dowels are flat

WARNING!

CHOKING HAZARD - small parts. Not for children under 3 years. Adult assembly required. Keep unassembled parts away from children
