BEFORE YOU START

- Lay everything on a soft clean surface
- Keep screws and small parts in a bowl
- Use the given screwdriver
- Do NOT fully tighten until the final step

PRO TIP

Check that everything is square before tightening screws

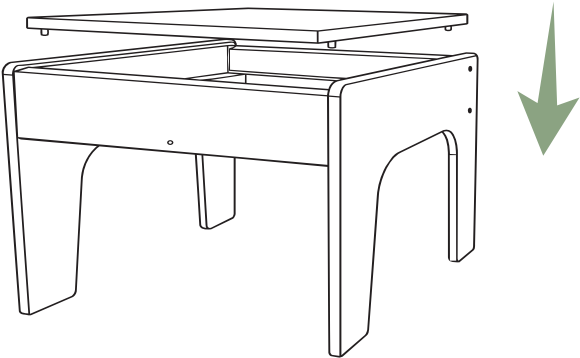

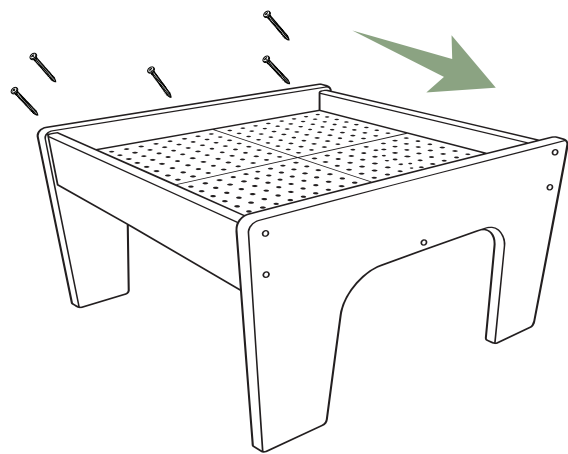

WATCH OUT

Make sure each panel is fully seated in the slot and dowels are flat

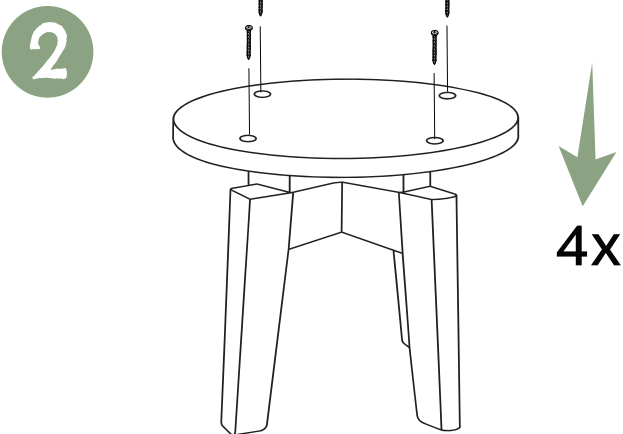

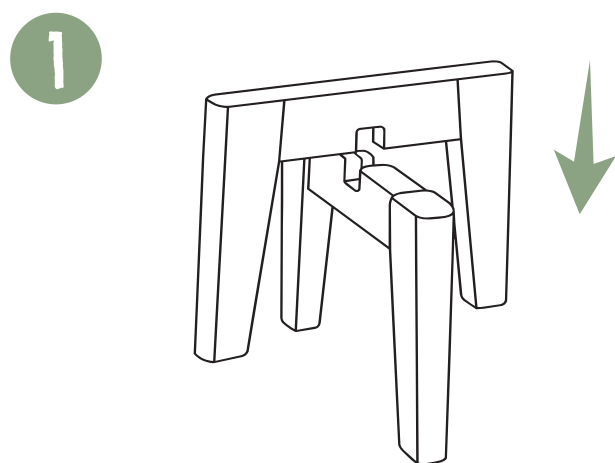

WARNING!

CHOKING HAZARD - small parts. Not for children under 3 years. Adult assembly required. Keep unassembled parts away from children
